Sufi Sri Mohammad Aqeel Syed,
Co-founder,
Herbalage Worldwide Wellness Group
Quantum Oneness Movement
Wellness Bharat Foundation

Established in 2001, Worldwide Wellness Group initially exported raw herbs to meet the growing demand for Ayurveda and herbal products. With the goal of global unity, the company embraced the principle of "Vasudhaiv Kutumbakam." In 2006, Herbalage was launched to promote Ayurveda for lifestyle management, becoming synonymous with modern bio-medicines. Under the mission "Wellness Bharat," the company aims to contribute to the trillion-dollar wellness economy and help India become a developed nation in the 3 lakh crore plus wellness industry. Through the "Quantum Oneness" movement, the team conducts research on ancient Indian spirituality and explores diverse spiritual practices. Herbalage-Worldwide Wellness provides a comprehensive platform for growth in various areas, empowering individuals with improved health, financial stability, and self-reliance.

Plan 2023

वसुधैव कुटुम्बकम्

The wellness industry in India is experiencing rapid growth, valued at approximately Rupees 3.5 Lakh Crores and projected to reach Rupees Five Lakh Crores soon. This growth is driven by the increasing awareness of the importance of a healthy lifestyle and supported by government initiatives like Ayushman Bharat. Traditional practices such as Ayurveda, yoga, and meditation are popular and contribute to the industry's growth, creating employment opportunities, attracting foreign investment, and driving overall economic development.

Herbalage - The Quantum Ayurveda Company belongs to Herbalage - Worldwide Wellness group, which is popularly known for its Research & Developmental work of Ayurvedic proprietary and patented medicines.

Know : Herbalage - World Wide Wellness Group

2001: Inception

World Wide Wellness, founded by Sufi Sri, focuses on Ayurveda R&D. The venture merges spirituality and business, inspired by Sufi Sri's desire to merge the two.

2006: Herbalage Wellness India

"HERBALAGE" brings Ayurveda to a global audience with its researched molecular health supplements.

Vision & Mission: Wellness to Oneness

The goal is to create a global society that focuses on maintaining health and eliminating disease using quantum Ayurveda.

2007: Mission: Wellness Bharat

"Empowering young Indians for a self-reliant future through wellness entrepreneurship"

How does Quantum Ayurveda functions:

Quantum Ayurveda aims to restore balance to the body and promote overall health by focusing on the biological humors and nourishing the structural tissues.

2008: Quantum Oneness Movement

The Quantum Oneness movement was started to explore and promote the ancient Ayurvedic and Yogic Sciences in relation to modern scientific evidence, especially Quantum Mechanics. The movement aims to bring the ancient concept of "Vasudhaiv Kutumbkam" (the world is one family) in line with contemporary scientific understanding.

Experience the power of ancient wisdom and modern science with Herbalage Quantum Ayurveda Products! Our unique blend combines the traditional knowledge of Ayurveda, the physical and spiritual practices of Yogic Science, and the principles of quantum mechanics to create a truly one-of-a-kind wellness experience. Plus, our products are made with carefully selected ingredients that are backed by molecular studies for added effectiveness. Trust in the healing power of nature and the wonders of modern technology with Herbalage Quantum Ayurveda Products.

(Inception)

Herbalage - World Wide Wellness

In 2006, Herbalage was established with the aim of making Ayurveda a commonly used tool for managing lifestyle, not just for treating illnesses. Today, after more than a decade and a half, Herbalage has become synonymous with modern bio-medicines used to manage lifestyle disorders.

(Mission)
Wellness Bharat

With our mission
"Wellness Bharat", we aim to tap into the
Trillion-Dollar wellness economy and
be a part of the
3 Lakh Crores plus Wellness Industry,

way. For instance, one of its products nurtures prostate gland that helps the entire glandular system and gives natural antiflammatory, maintains heart, boosts immunity, reduces cholesterol, prevents, and treats more.

The specialist of Herbalage is the ingredients it uses in its products. For instance, its Black Catalyst is made from Curcumin (Turmeric) & Black Seed that are found in every kitchen. As the name suggests, the product addresses anything that we consume, including drugs and enhances the bioefficacy & bioavailability of drug, thereby eliminating its side effects. Moreover, the product acts as anti-cancer, anti-diabetic, is anti-arthritic, and gives mental relief, nurtures the heart, keeps hair soft and gives glowing skin. "Our best ayurvedic multi-herbs made from 9 herbs (shilajit & licorice) (shilajit) offers a full range of nutrients that include vitamins A, B & C, minerals, a hydro-carbonic," quips Mahesh Agarwal, MD & CEO, Herbalage.

Restoring Ayurvedic Principles

It's no secret that Allopathy is the usual treatment of Indians, as they believe Ayurvedic treatment is time-consuming. During this work, Herbalage offers ready-made products that not only address the health concerns, it is also time-effective.
